

Teddy Tennis Parent's Guide

“Teddy Tennis is a fun way to encourage young children to get active and to learn to play tennis.”

Introducing Head Ted

Head Ted is the lead coach at the Teddy Tennis Academy. Head Ted thought it would be best just to tell you about how the Academy runs things so you know what to expect.

Teddy Tennis works by combining music, pictures, videos, teddy bear characters, and stickers into a totally interactive learning adventure that children love. Head Ted and the Coaching Staff's job is not only to ensure the children, or as we like to call them, Cub Cadets, learn how to play tennis but also have FUN.

About Teddy Tennis

Teddy Tennis was conceived, created and developed in the United Kingdom; Teddy Tennis, the company, is based in the UK and has franchise operations all over the world.

Teddy Tennis Lessons

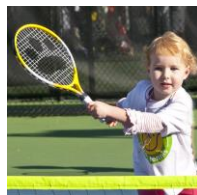

Teddy Tennis lessons have been carefully designed so as to develop a combination of Racquet, Movement, and Ball Skills along with Listening Skills, Hand-Eye Coordination and Social Skills. The key components of the program are music, pictures and videos; the music provides the rhythm and timing for the different Teddy Tennis games and exercises, the pictures and videos are used to show the children how to play - the combination works brilliantly.

Sport, Music & Fun
for the very young

Tennis Racquets

We have found that it surprises parents that racquets are not used in all Teddy Tennis Activities.

This is because Teddy Tennis is about developing an all-round athletic capability with a focus on tennis. For our younger Cub Cadets we use a 'Hand Racquet' instead of a racquet.

Teddy Tennis Equipment

Head Ted will provide all the equipment necessary to play Teddy Tennis but you could purchase a racquet for practice at home. We supply custom designed, lightweight rackets which are perfect for budding Cub Cadets. To find out more about Teddy Tennis equipment either speak to Head Ted or visit our website.

Teddy Tennis will develop each Cub Cadet's athletic capabilities, improve their coordination, grow their confidence, enhance their communication skills and encourage them to come back for more.....FUN!!!

Teddy Tennis Academy - Cub Cadet Rules

Every Cub Cadet must:

1. Always listen to Head Ted.
2. Always try to do their best
3. Show proper sportsmanship
4. Have FUN!!!!

Teddy Tennis Teams

There are 8 Teddy Tennis teams (curriculum) at the Academy and Cub Cadets will join the team that matches their age, experience and ability. During the course of their Teddy Tennis training, Cub Cadets will progress through different teams.

In the beginning, we will help you choose the right Teddy Tennis team for your Cub Cadet and just to make doubly sure we have things right, Head Ted will do an assessment during the first lesson so as to ensure everyone is where they should be.

Teddy Tennis' curriculum has over 100 lesson plans that address the various ways young children learn.

Teddy Tennis Clothing

Cub Cadets need to be dressed in suitable 'sports' clothing including training/sports shoes. Speak to Head Ted or visit our web site for details to purchase the various Teddy Tennis T-shirts and sweat shirts that are available as the Cub Cadets look very smart in the Teddy Tennis Academy uniform.
